

Proposal for the first simple structure of a SIAPWS website

Version 4, 25-11-2019, KNTH

Header: SIAPWS – the Nordic Association for the Properties of Water and Steam	SIAPWS logo
Paragraph: SIAPWS is the Nordic representative of IAPWS, the International Association for the Properties of Water and Steam, focusing on thermophysical and chemical properties of water and steam. SIAPWS deals with water chemistry and water treatment in the Nordic energy sector and related industries. SIAPWS is connecting national groups for exchange of experience in Sweden (Matarvattensektionen), Finland (SIAPWS-Suomi), and Denmark (SIAPWS-Danmark).	Event calender: Date 1 – Event 1 title Event intro text Date 2 Event 2 title Event intro text ...

SIAPWS HOME – footer info: date, contact, navigation	

Paragraph: SIAPWS is the link between the international work in IAPWS and the national groups for exchange of experience in water chemistry and water treatment. The mode of operation is described in the SIAPWS statutes and in the SIAPWS vision below. During the year, the activities are run by the SIAPWS Executive Committee (SIAPWS EC). The members are elected at the annual SIAPWS meeting. The current members of the EC are listed here.

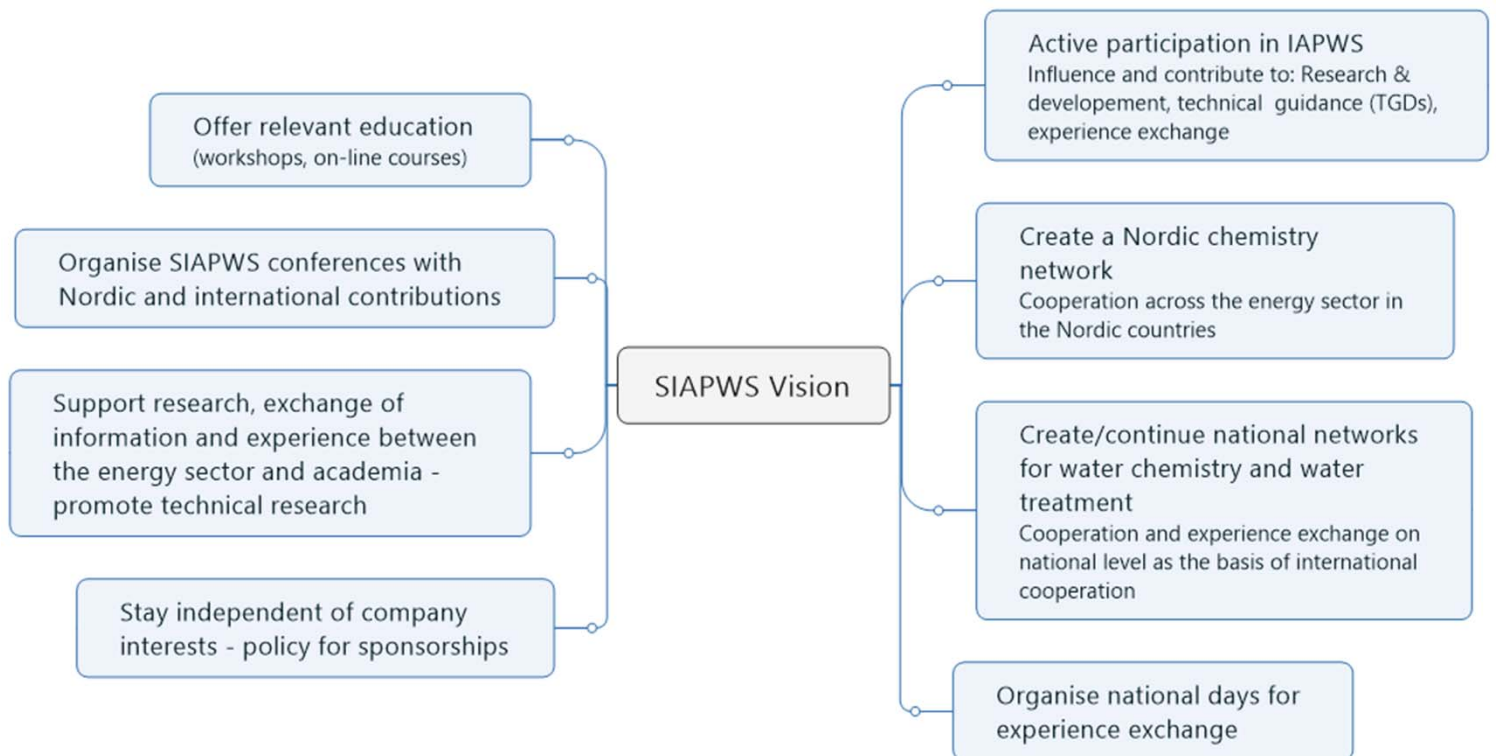

SIAPWS Executive Committee

Chair	Karsten Thomsen	knth@cowi.com	DK
Vicechair	Roger Lundberg	roger@flaqua.com	SE
Cashier	Monika Nielsen	moneb@orsted.dk	DK
Member	Niklas Berg	niklas.berg@soderenergi.se	SE
Member	Arja Lehtikoinen	arja.lehtikoinen@valmet.com	SF
Member	Jere Espo	Jere.Espo@maintpartner.com	SF
